## *Forest View Hospital Outpatient Clinic*

*Providing a quality continuum of care based on compassion and respect.*

### *About the Clinic*

The Forest View Outpatient Clinic is dedicated to providing outpatient psychiatric evaluation and medication management to clients in the community.

The clinic also works closely with Forest View's inpatient programming to provide medication management for discharged patients as part of a transitional step-down process.

The clinic does not provide outpatient psychotherapy, but works closely with therapists in the community to coordinate treatment.

The clinic is located in the lower level of Forest View Hospital. Licensed by the State of Michigan and fully accredited by JCAHO, Forest View Hospital brings over 30 years of experience to the evaluation, diagnosis, and treatment of a wide range of behavioral health problems.

The Outpatient Clinic's phone hours are:

Monday - Thursday  
9:00 a.m. to 4:00 p.m.

Friday  
9:00 a.m. to 12:00 p.m.

### *About Forest View*

Forest View Hospital is a 62-bed private psychiatric facility located seven miles southeast of downtown Grand Rapids, Michigan. Dedicated to excellence and innovation, Forest View brings over 30 years of experience to the evaluation, diagnosis and treatment of a wide range of behavioral health problems.

Forest View Hospital is committed to providing comprehensive treatment for all types of mental illness. Because we believe that each person is unique, all treatment is individually designed to meet the specific needs of each individual.

The focus of treatment is practical and solution focused with an emphasis on symptom reduction and the learning of healthy coping skills.

### *Access to Services*

New clients needing outpatient psychiatric evaluations can be referred to the clinic by medical or behavioral health professionals, or by direct contact from the client themselves. Appointments can be arranged by our administrative staff by calling 616.957.2235 or 1.800.949.8439, ext. 235.

Clients discharged from inpatient or partial hospitalization that require transitional psychiatric treatment will be scheduled for a medication review within 1 to 4 weeks following discharge (as appropriate). Clients will be referred back to their established community provider as soon as possible.
